

§ 923.93

or administrative efforts under a section 306 grant cannot be made, unless they are subject to adequate State overview and are part of the approved management program. Where the approved management program provides for other specified local activities or one-time projects, again subject to adequate State overview, then a portion of administrative grant funds may be allocated to local governments.

(2) Indian Tribes. Tribal participation in coastal management efforts may be supported and encouraged through a State's program. Individual tribes or groups of tribes may be considered regional agencies and may be allocated a portion of a State's grant for the development of independent tribal coastal management programs or the implementation of specific management projects provided that:

(i) The State certifies that such tribal programs or projects are compatible with its approved coastal management policies; and

(ii) On excluded tribal lands, the State demonstrates that the tribal program or project would or could directly affect the State's coastal zone.

§ 923.93 Eligible implementation costs.

(a) Costs claimed must be beneficial and necessary to the objectives of the grant project. As used herein the terms cost and grant project pertain to both the Federal and the matching share. Allowability of costs will be determined in accordance with the provisions of OMB Circular A-87: Cost Principles for State, Local and Indian Tribal Governments.

(b) Federal funds awarded pursuant to section 306 of the Act may not be used for land acquisition purposes and may not be used for construction purposes. These costs may be eligible, however, pursuant to section 306A of the Act.

(c) The primary purpose for which implementation funds, pursuant to section 306 of the Act, are to be used is to assure effective implementation and administration of the management program, including especially administrative actions to implement enforceable program policies, authorities and other management techniques. Implementa-

tion activities should focus on achieving the policies of the Act.

(d) Section 306 funding in support of any of these purposes may be used to fund, among other things:

(1) Personnel costs,

(2) Supplies and overhead,

(3) Equipment, and

(4) Feasibility studies and preliminary engineering reports.

(e) States are encouraged to coordinate administrative funding requests with funding possibilities pursuant to sections 306A, 308, 309, 310 and 315 of the Act, as well as with funding possibilities pursuant to section 6217 of the Coastal Zone Act Reauthorization Amendments of 1990. When in doubt as to the appropriate section of the Act under which to request funding, States should consult with OCRM. States should consult with OCRM on technical aspects of consolidating requests into a single application.

§ 923.94 Application for program development or implementation grants.

(a) OMB Standard Form 424 (4-92) and the NOAA Application Kit for Federal Assistance constitute the formal application. An original and two (2) copies must be submitted 45 days prior to the desired grant beginning date. The application must be accompanied by evidence of compliance with E.O. 12372 requirements including the resolution of any problems raised by the proposed project. The administrative requirements for grants and subawards, under this program, to state, local and Indian tribal governments are set out in 15 CFR part 24. The administrative requirements for other entities are prescribed under OMB Circular A-110: Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals and Other Non-Profit Organizations.

(b) Costs claimed as charges to the grant project must be beneficial and necessary to the objectives of the grant project. As used herein, the terms "cost" and "grant project" pertain to both the Federal amount awarded and the non-federal matching share. Allowability of costs will be determined in accordance with the provisions of OMB Circular A-87: Cost Principles for
